

## 2025 FLLS Proposed Library Construction Grants

FLLS will have **\$1,171,777** to distribute.

Requests that have been made:

**Poplar Ridge** – Phase 2 of the construction of new 2 story library building as addition to Opendore museum on existing foundation. The new addition will be 2,763 square feet with an architecturally sympathetic design which meets SHPO criteria. This is the largest phase of the construction of their new library. Project cost is \$606,600 with the library asking for **\$545,940** (90% ask).

**Owego** – Installation of a new HVAC system to address inconsistent heating and cooling in the main areas of the library. Project cost is \$345,657 with the library asking for **\$259,243**.

**Aurora** – Reconstruction and refinishing of deteriorated Main Street (principal façade) half-timber wall construction. Project cost is \$113,900, with the library asking for **\$85,425**.

**Seneca Falls** – The project will create a sound system in the library's community room and a door badge system for staff to enter and exit the building. Project cost is \$43,151, with the library asking for **\$32,363**.

**Trumansburg** – Library will increase accessibility to the library and lawn area and enhance the use of outdoor programming space by creating a new walkway and patio. Project cost is \$38,900, with the library asking for **\$29,175**.

**Moravia** – Roof restoration of the library's 1880 historic portion of the library and it's 2003 addition. Project cost is \$22,000 with the library asking for **\$16,500**.

**Waterloo** – Update the library security system to accept digital signals and add a carbon monoxide detector, along with the addition of theatre lighting to their upstairs programming space. Project cost is \$19,427 with the library asking for **\$13,600**.

**Dryden** – Energy efficient boiler installation. Project cost is \$13,233 with the library asking for **\$9,924**.

**Lansing** – Energy efficient boiler installation. Project cost is \$13,000 with the library asking for **\$6,500**.

**Interlaken** – Furnace upgrade to install a two-stage propane fired condensing furnace. Project cost is \$7,087 with the library asking for **\$5,315**.

**Total amount of projects: \$1,003,985**
